# CERTIFICATE

No 727 (QQQ)

FINLOG AUDIT OY  
hereby certifies that

## EASMAR LOGISTICS OY

has implemented the Business Management System.

The audit was proof that the system meets the requirements:

**ISO 9001:2008**  
quality management system standard

**ISO 14001:2004**  
environmental management system standard

**OHSAS 18001:2007**  
occupational health and safety management system standard.

Certified Business Management System covers the following business  
branches and services:

logistics services and special projects,  
bonded warehouse and terminal operations  
for manufactured goods.

The certification is valid until 25th of May 2015.

Sotkamo, May 25th 2012

Pasi Korhonen
